Re: Dendra Dengler, FPPC#090438

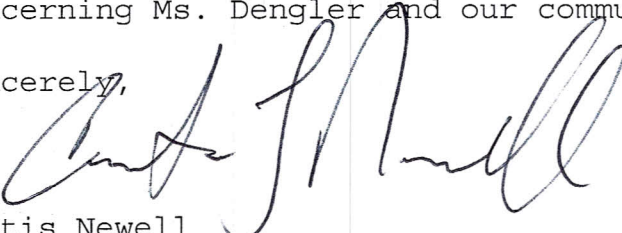

Honorable Members of the Commission:

I have enjoyed living in the community of Manila for the past four years. I reside next to the dunes, the beach, and the ocean. Everyday, sometimes twice a day, I walk to the beach with my dog and my friends and we enjoy the wonderful sand dunes. We like to go into the dune forest and find edible mushrooms. We like to run on the beach, and my dog loves to fetch a stick in the ocean. I have had the pleasure of attending events in the dunes.

I have recently heard that a member of this community is facing a large fee for charges based on her support for acquiring public access to the sand dunes, dunes forest, and beach that I love. I do not feel that providing for the enjoyment of this small community for years to come is wrong.

Please find it in your hearts to make the best decision concerning Ms. Dengler and our community.

Sincerely,

Curtis Newell
